

JOHN HORROCKS

A freelance sound engineer, recorder, mixer, sound designer and musician, with over 25 years experience in the recording industry. Owner of Casa Rock Studios in Bolton. A post production company offering all aspects of audio recording, mixing and sound designing, with experience in T.V, film and music. Able to work on location and from Casa Rock Studios in Bolton.

Casa Rock Studios: 2014 - Present

Audio post production company with a passion for recording and sound design and including ADR, Foley, track-lay and music composition for visual media. Incorporating up to date studio facilities and technology, Casa Rock has already produced sound mixing and sound design for short film and TV. With IMDB credits for Foley work on Loves Lost and My Dearest Jean. Casa Rock has also carried out charitable work for Zedmill productions aimed at making a better future for people in Africa. Music compositions have been commissioned for Dizzy Darts, HEROS rally company, Tthree Reign Productions and Houston/Jones Productions. Casa Rock is involved with The Big Slice Music Show in Manchester, U.K. to record, mix and master the artists for TV and Youtube. All up to date work can be seen at: www.crstudios.co.uk

Professional Musician: 1984 - Present

With over 30 years of playing experience and turning professional in 1990 for the band Old Man Stone. Signed to FM Revolver and Rock Box management. Using multiple studios throughout the U.K. including Trident Studios, London and Lynx Studios, Newcastle. Finally building our own studio, Stone House Studios in Bolton for our own recordings and paying bands. Also playing live over 1000 times around the U.K. John is also a proficient guitar, drums and synthesiser player.
